

Course Overview	Grade 5 English Language Arts and Reading (ELAR) uses the <i>Savvas myView Literacy</i> curriculum, which is aligned to the Texas Essential Knowledge and Skills (TEKS). Throughout the year, students will engage in units built around an essential question, a theme, and a multi-genre approach to reading and writing. In each unit, students will read literary and informational texts connected to social studies, science, and/or the humanities. Each unit will culminate in collaborative, project-based activities that help students compare texts, share ideas, and demonstrate their growth as stronger readers, writers, speakers, and thinkers.
